## CLINIC INFORMATION

Therapeutic Associates – Scappoose Physical Therapy is a fast-paced, outpatient, orthopedic clinic with a focus on manual therapy and a strong Women's Health program. We promote evidence-based practice, the latest advancements in therapy techniques, continuing education, and the highest quality of care. Our staff includes one full-time PT and one part-time PT, plus front office staff. We believe in one-on-one care and getting to know our patients and their individual needs and goals. We want our patients to meet their goals and we are proud to treat a full spectrum of diagnoses and demographics, from children and adolescents to middle age and elderly.

## SCAPPOOSE AREA

Scappoose is a quaint town filled with friendly people and a relaxing feel, all just 19 miles from the bustling metropolitan heart of Portland. A historically significant site – former tribal meeting place and just off the Lewis and Clark trail – Scappoose is known for its bountiful wildlife and natural resources. Outdoor activities including fishing, hunting, boating, biking, and walking abound. We're proud of our outstanding school system, diverse community calendar, recreational amenities, and affordable cost of living.

## OLYA KURKOSKI, DPT, CLINIC DIRECTOR

Olya has been a part of Therapeutic Associates since 1994 and became a Shareholder in 2009. She graduated with high honors from Simferopol State University in Ukraine, with a degree in Physical Education. She was recognized as the top student in her discipline. After immigrating to United States in 1993, she earned her Masters in Physical Therapy in 2001 and her Doctorate in Physical Therapy in 2003 from Pacific University.

Olya's clinical emphasis is manual therapy, therapeutic exercise, and prevention and rehabilitation of musculoskeletal injuries from sports/recreational injuries, work-related trauma, motor vehicle accidents, and neurological disorders. She is also a certified Pilates instructor. Olya's special interests are women's health and outpatient orthopedic physical therapy. She speaks Russian and Ukrainian.
